BatterBoard Advertising

Everyone has dasherboards around their ice-skating rink. but Planet Ice has:

an exclusive product of Burley's Rink Supply.

Stronger, and more durable than compettive products, Planet Ice's BatterBoards offer 32 advertising options around the perimeter of the rink. Because the product s better, your ad will be associated with superiority. Plus, Planet Ice only contracts out to state-of-the-art graphics companies, so you know your ad will have an influencing presentation. With Planet Ice's narkless hockey puck policy, your ad is nore likely to retain its new appeal, earnng you a renewal discount for repeat innual advertising. One year contracts with your choice of two options! A 3' x 8' ull board at an investment of \$1800.00, or 1 half dasher at half the size for \$975.00. This investment easily pays for itself!!

Reach over 3000 of your potential customers per week!

Your ad photographed and seen during high school and college hockey games, tournaments, Figure Skating lessons, shows and competitions, highly populated public skating sessions and by potential new rink owners who tour the facility on a weekly basis!

The Zamboni ice resurfacing machine is a novelty that attracts a large audience every time!! I have seen patrons at Planet Ice standing rink side during and after a public skating session just to watch the Zamboni! Everyone wants to drive the Zamboni and now your advertisement and logo can be part of this high profile aspect of the rink. Two sponsorships are available. Measuring 1' high by 4' wide or 21" high by 30" wide, your advertisement is destined to be seen. In the space of a year, more than forty-thousands will see your message again and again. Its a low cost, high visibility marketing tool offered for a monthly investment of \$210.00.

Planet Ice, "The Coolest Spot in Town," fills with Hockey players, Hockey fans, public session skaters, figure skating shows and competitions. Every body loves to watch the Zamboni.
