Welcome to Planet Ice. For your team’s and your hockey association’s benefit and protection, the following locker room procedure and policy has been created.

Please read carefully and follow the procedures accordingly:

1. After signing the “agreement” below, your car keys must be left in exchange for your assigned locker room key.
2. Report any room condition concerns to the front desk prior to taking occupancy. Your assigned locker room, shower room and bathroom should be clear of debris and damage.
3. Be sure all team members have vacated the shower and restroom area before locking the access door.
4. Be sure to lock both doors of your locker room while you have the key. Planet Ice is not responsible for lost or stolen articles.
5. Upon completion of using the locker room facilities, all debris must be removed from the locker room, washroom, and shower floor and placed in the trash container. Showers must be turned off.
6. Lock all room doors; return to the front desk to exchange keys. A Planet Ice representative will inspect the room prior to returning your car keys.
7. Sign the locker room form acknowledging that you have received your keys and the locker room is in acceptable condition after your use.
